

Blaine House  
1 State House  
Augusta, ME 04333

Dear Teachers and Group Leaders,

For security reasons, a list of all adult visitors is required prior to all scheduled Blaine House tours. For school and homeschool groups this will include the names of all teachers and adult chaperones. The names of students are not required. **Teachers please note:** there is a maximum of 5 adult teachers/ chaperones that can accompany student groups into the Blaine House due to group size restrictions. For adult groups all visitors and group leaders will need to be included. Completed forms must be emailed or mailed to arrive at the Blaine House at least 3 days before your scheduled tour. As a precautionary measure, consider adding the names of alternate chaperones ahead of time. **Adult visitors not listed below will not be permitted into the Blaine House.**

Please mail completed forms to: Barbara Claudel
