

This form is for both individuals and groups visiting the Blaine House. For security reasons, a list of all adult visitors is required prior to all scheduled Blaine House tours. Completed forms must be emailed or mailed to arrive at the Blaine House **at least 3 days before your scheduled tour**. Adult visitors not listed below will not be permitted into the Blaine House.

For adult groups all visitors and group leaders will need to be included. As a precautionary measure, consider adding the names of alternate chaperones ahead of time.

For school and homeschool groups this will include the names of all teachers and adult chaperones. The names of students are not required. **Teachers please note:** there is a maximum of 5 adult teachers/ chaperones that can accompany student groups into the Blaine House due to group size restrictions.

Please mail or email completed forms to:
